LR-6339 / 61 cl / 20½ oz

**Burgundy/Full-bodied Wine**

The wider bowl shape of this beautifully proportioned wine goblet allows full-bodied wines to „breathe“ and reach their full potential. Ideal for maximum enjoyment of the „big wines“.

**Rocks Glass**

This quintessential DOF whisky glass can hold a favorite scotch, rye, or bourbon with plenty of room for ice.

LR-1605 / 44 cl / 15 oz

# RONA's Home Bar Selection

We all like to meet with our friends and our families in restaurants and bars, but we also like to gather with them in our homes. Having the appropriate glassware to serve the various desired drinks enhances this pleasure. It is not only a question of aesthetics but also of flavor. The shapes can be important. The quality of the glass is also important.

Rona has created a collection of the most essential glasses to stock the home bar. It is not enough to just stock the bar with your favorite beverages; equally important are the vessels for serving these beverages.

This is a selection of the glasses that we feel a well-stocked Home Bar should contain.
