Slovak renowned sommeliers recommend RONA's wine glasses

Executive sommelier, Mr. Vladimír Hronský, oenologist

Slovak pioneering spirit and passion for winemaking spans for generations like tradition of RONA glass production dating since 1892.

In cooperation with the slovak renowned winemakers and sommeliers, RONA glassworks has created classically beautiful wine tasting glasses. Each glass is specifically designed to optimize the bouquet and flavor of particular variety of wine.

RONA herewith provides the basic principles of pairing the right glass with the right wine.

According to the recommendation of the sommeliers, these following pictured wines should be served in our glasses.

Elevate your senses with premium wines and RONA glasses. Together

Premium wines deserve premium glasses for the full gourmet enjoyment

In these days glass plays an important part of our culture. The proper wine glass opens your senses to the full extent, it highlights the color of the wine and makes pleasure for your hands to hold it. The aromas of individual wines are enhanced by the shape of the glassware.

The new RONA wine glass varietal features 15 unique shapes, designed with specific characteristic for each wine.

Entertaining and gift giving with RONA glassware has never been easier. Raise a glass and discover the subtle nuances of every vintage.

From the numerous shapes and sizes in RONA's glass portfolio, we have come up with the best selections to meet the taste of all wine loving consumers world – wide.

Whether you prefer full bodied reds like Shiraz or Malbec for its velvety blend of ripe cherries and blackberries, or whites like Chardonnay for its peach and citrus flavour, or any other variety of wine, we have the right choice of vessels ready for you!

RONA's superior quality, fine, cold – cut rimmed glasses will enhance your enjoyment of the exceptional wines of the world.
