RONA SINCE 1892

RONA a.s. is a Slovak drinking glass manufacturer, distributor and retailer of utility glassware for households and related services. The company is one of the world's leading manufacturers producing a high quality unleaded glassware, known as crystal glass. 96% of production is exported and is available in more than 80 countries worldwide. The yearly production of the company exceeds 60 million pieces, that's why RONA, a.s. is the largest utility glass manufacturer in Central Europe. RONA's business activities focus on the manufacture, distribution and sale of glass products and goods – utility glass for households, the gastronomy business, aerospace, and ship catering.
